Diseases & Surgery of the Skin.

To Whom It May Concern,

More Than Billing, Inc has been my billing service for over ten years. The service has always had a reliable and stable environment. They offer the latest software which is updated on a regular basis.

I have also like dealing with the same person about my accounts receivable and concerns. The President of the company, Victor Vazquez, has a complete grasp of the medical billing business; so does his staff of long time employees.

Without hesitation, I highly recommend More Than Billing, Inc.

Sincerely,
